

Free Green Living Workshops at Castellow Hammock Nature Center

Attracting Wildlife to your Backard

Date: Saturday, February 21, 2015

Learn how to bring more wildlife to your yard by planting natives! Walk the grounds and trails to see how beautiful, carefree, and attractive these plants are first hand!

Hummingbird Heaven

Date: Saturday, March 14, 2015

Learn all about the Ruby-throated Hummingbirds and the plants you can use to attract them to your yard. Bring binoculars to see them first-hand in our butterfly/hummingbird garden!

Self-Watering Container Gardening

Date: Saturday, April 18, 2015

Learn how build a few simple and inexpensive self-watering containers for easy plant care. Techniques can be used to grow vegetables, herbs, and house plants. Bring a 2 liter plastic bottle to make your own self-watering planter!

Vermicomposting: How to Compost with Worms

Date: Saturday, May 2, 2015

Learn how worms can help you recycle your kitchen scraps into an amazing and free fertilizer for your garden or potted plants! Simple and inexpensive do-it-yourself plans for worm bins will be shared, as well as lots of hands-on time with the worms!

Pre registration required. All programs are from 11-1230 pm and are free of charge. They meet at Castellow Hammock 22301 sw 162 ave. Please call 305-242-7690 for questions and to register, or go to castellowhammock.wordpress.com for online registration.
